Dear Senator Fasano and Representative Klarides:

I am first generation born in the U.S. & very grateful for the opportunities. I moved to Ct. from NY in 1985 for better quality of life & the high taxes. I make a liveable income but taxes are robbing me of what I have rightfully earned. NO TAX INCREASES! I will not be able to afford to live here & will move to a state that is taxpayer friendly -yes it is that BAD in this state now!
