Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Residents of CT are watching company after company close their doors and leave the state taking jobs with them and the response from the state has only been to raise the taxes of those remaining. It is time to stop the madness. Keep the promises you made during your campaigns and to vote no to raising taxes. It will take work and imagination to discover other resources, but it can be done. If YOU are willing to make the extra effort.
