Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Please do not make life here any harder than it is already!. High electric rates, fewer job opportunities, lousy roads, fees for every little thing... My family is on the precipice living paycheck to paycheck, I'm disabled by chronic pain and my 62 yr old spouse works two jobs 7 days a week. Every day we wonder what other state we should move to that would be more affordable. And every day we worry that our children have no future here. According to the nonprofit taxfoundation, CT workers won't reach Tax Freedom Day until May 13th - that's ranked 50th! How much more can we take? Answer: no more. Please stop the tax & fee madness.
