Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Our great grandmother started our family business in 1932. My family pays in 45% tax between Federal State of CT. I resent the aspect that the only answer is to INCREASE taxes. #1) Conn have too many states that other taxpayer can leave for. #2) Taxation takes the "Investment" aspect away from perpetual motion. #3) Businesses always uses a "Zero Based Budgeting" approach to create a budget. Why aren't governments taking this position, going the extra mile & respecting the taxpayer resources?

Sincerely, Carl Slicer
