Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

I can remember when our esteemed governor Lowell Weicker assured us that the income tax will just be temporary. If you allow this increase when will it ever stop!! Any extra money needed for the state budget should be approved only by referendum and only as a temporary measure. We must stop this budget bloat! We must hold the line!!! There is a use it or lose it mentality in our government and it leads to sloppy indiscriminate spending. The good times are in hiatus for now. People are leaving this state for better opportunities the only way we will stay competitive is to keep taxes down!!
