Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Gov Malloy and the Democrats are making people dependent on drugs like pot, alcohol on Sunday and gambling. He promotes all these things that people get addicted to. Let him get his taxes from pot users and growers, alcoholics and gamblers. He could also get the money from all the criminals he is letting out of jail early where the state does not have to pay to house them or feed them. Leave the rest of us alone.
