Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Connecticut cannot stand more taxes. Everyone who is retiring has to leave. New businesses cannot afford to be here. Current business are fleeing. Store fronts are vacant wherever you go and people are out of work, many of them so disgrundled that they have quit looking for work. Young people are discouraged, are taking on debt to go back to school and are looking for jobs outside of CT. How do I know, because I teach them and listen to them every day. And my friends who are retirement age all are looking toward selling their houses and moving. And I have a lot of friends.
