Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

We will not stay in this STATE when we retire soon!! My son with Aspergers/ bipolar not workable after 10 years with BRS, you have not provided services for these people but you have all these services for drug addicts. You need to help adults live on their own, my son Age 33 now. Before he becomes homeless some day. We cannot afford to live here, you need to help people or have a reason for them to stay in the state, more taxes will not help CT,s Future. Keep people wanting to stay, everything in CT.is forcing us out.Find another plan don't raise taxes anymore that's what Governor Malloy promised!! He doesn't keep his promise,no excuses Governor!
