Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

I'm glad I am no longer in business in Connecticut, but I don't like living here any longer either. The existing taxes are killing hard working people. I have been considering moving my family and my 5 extended families out of this over-taxed state. New Taxes and Raising Taxes has convinced me to increase my search for a better place. I was born and raised in Connecticut, but your Tax & Spend government has become too much to bear.
