Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Due to the excessively high taxes in our state that seemingly go nowhere, or get wasted on needless projects that never seem to end, I've put my house in Manchester up for sale. as soon as my house sells I'm going to be moving to Massachusetts. While the taxes in Massachusetts aren't much lower than Connecticut, they seem to put their money to much better use. I will still work in Connecticut and have family here though, so I still would like to see the state prosper. I feel like more tax increases would just send the state further down the hole it's been in for decades.
