Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Misuse of taxes by this governor & democratic majority does not constitute taxing Connecticut citizens MORE! This state has the highest taxes in the U.S. and is an embarrassment not only to us citizens, but has become an example for the rest of the country NOT to follow. Control spending, eliminate some high paid government staff, including many of THIS administration, and for God's sake, learn how to manage a budget!
