Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

No way should taxes be raised. Democrats made this mess with 20yrs of one party rule. Time for them to man up and use real common sense and actual math to cut the deficit.

Lets start with cutting the salaries of all appointees. Then to the legislature. Lets give them a flat salary instead of one based on titles.

Cut from the bloated state government. Then cut from each department. How about blowing away DCF and start over.

Then we can talk about raising taxes.

Until then. Democrats need to get their heads out of the butts.
