Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Taxes are too high in Ct. People are not staying in Ct. to work after college. Retires are moving out of state in droves. The state government must spend less. Entitlement programs need to be cut. The crazy laws about the school budget not being able to go down and be less expensive, with a declining school population, is the teaching union responsible for this?

This needs to stop. The law needs to be repealed. Taxes need to go down. Ct. is losing the battle.
