Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

I appreciate each Official, and their sacrifices to serve our Communities. Please accept this as constructive criticism and suggestion; and know that I do respect and appreciate each member of our State Government. I must urge you to please stop raising taxes and spending irresponsibly. Please cut back on unnecessary government spending; please start making CT a State where businesses can thrive and not be over taxed. Please stop breaking the backs of the middle class. Please start keeping your campaign promises. Thank you for your time and consideration.
