Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Charity begins at home. Bring OUR money back home. Take care of US and our needs FIRST. There is no need to raise taxes. WE hand over enough of OUR OWN money to take care of all of us to the degree we need. Start with taking full care of our vets ASAP, instead of waiting so long they are beyond repair or DEAD. 100% ALL US FIRST!
