Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

The economies of both the USA and Connecticut are not good. Our country is in the worst shape I've seen it in. (I'm 78)
All we seem to do is come up with new programs at both Federal and State levels, and raise taxes.

This is not working and if we don't wake up soon, I'm afraid we will collapse, like all other societies who went down this road previously.
