Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Raising taxes is only but ruining middle class lives n as for me that's why I'm considering leaving CT. I work work to pay for evryone elses mistakes.I have been a CT resident all my life and never seen Ct as an awful state to live in till several years ago. Everytime I turn around, taxes go up n the poor keep getting poor. This state has become a state for the wealthy n not for Middle class.
