Dear Senator Fasano and Representative Klarides:

My husband and I are currently paying close to \$10,000 just in property taxes alone. We have 2 children in college and we are drowning financially we both work full time and up until recently I was working 60 hours a week. However the company for whom I work for has eliminated all overtime since most of the work is now offshore. So do we sell and get out of CT ?? Do I get a second job to support not only myself and my family but the State of Connecticut so they can continue to spend ?? My son will graduate from college over \$100,000 in dept. Who wants to hear my story ??
