Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Please add my voice to the cry for "no new taxes"! I have reviewed the Senate Republican plan and find it to be fair and equitable and urge the full legislature to adopt substantially intact. As a soon to be retiree I am particularly interested in the provision for Phases out the Income Tax on Pension Income under \$100,000 for joint filers to help retirees stay in CT. Wage freeze for government employees is in order followed by a substantial overhaul of state pension and benefits is needed at the earliest opportunity. Lets put the state on the path to prosperity.
