Subject: No New Taxes - SB 946

More New Taxes from a Socialist Governor that said....."No New Taxes"???????

We have the Highest and the Most Taxes in the Union, do you want the rest of the Businesses to Run from this Commie State?????

We need Toll Booths to Tax the People that use our roads!!!!

We need to follow the LAW and DEPORT all Illegals, not give them a License and Money for College!!!!

I had My CDL taken away when I retired, so they took My Retirement Bonuses away, but Illegals get the right to Drive, you people need to Wake Up and Enforce all the LAWS on the Books, not just the Laws that you like!!!!
