Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

I own a business and this is a sneakier way of increasing taxes. you start taxing different businesses that have to collect from the public so their taxes go up but not the % it's bullshit, so much for no increase. especially on service businesses. Cut budgets not increase taxes, cut salaries of officials, or more people move out of Conn. and then you have less to collect from???
