Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

We are middle class people who are barely making ends meet as it is. We have several rescue pets and the vet bills are oppressive already. Imposing tax on veterinary services will only hurt the pets as people like us will not be able to afford to pay the higher fees ... It's hard enough to take care of pets. Don't harm them further by making it harder for people to properly care for them.
