Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

Some time later this year, my wife and I will be moving South, out of Connecticut. we will be taking the money we pay for Ct. State income tax, Ct. sales tax and local property taxes with us.

This emigration of tax money out of Connecticut is accumulative by the number of others doing the same.

The Democratic controlled Legislature and the Governor will face this diminishing income with the same solution: Raise more taxes on the remaining citizens.

Good bye and good luck!

Mike
