Dear Senator Fasano and Representative Klarides:

i would like to know where the hell do the democrats figure where we are suppose to come up with this money, where? hard enough we the disabled and elderly get a extra 25 bucks in our social security and by the time our house insurance and car takes it, where the hell is our money for prices going up in the grocery stores. you rich people don't care, you send your nanny out to get your food and you know nothing of cost's, all democrats should be voted out next time around, you do no good for the working or retired.
