**Subject:** Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

I'm unable to attend the hearing because of a prior appointment, but here are my comments.

No more taxes. I'm drowning in Stratford taxes and State taxes, sewer usage tax, sales taxes, taxes on my savings, taxes on Medicare, taxes on my home, taxes on my cable, taxes on my home phone service, taxes on everything but the air I breathe and that's probably next on the agenda.

A middle class individual can't live in Connecticut. Only the rich and the poor can live in this state and as a voting retiree who worked 47 years and saved my money so that I would be able to take care of myself, I am sick and tired of being taxed to death. And I certainly do not want to see tolls on the road.

What I want to see is a careful accounting of the thousands and thousands of dollars you get from me already.

Republican or Democrat, you should know this already. You get paid to represent us and none of you are doing the job you were hired to do or there wouldn't be so many families moving out of the state!
