Dear Senator Fasano and Representative Klarides:

Are you kidding! You can not in your right mind raise taxes on the taxpayers again. You should all be fired. I guess you forgot about the last raise in taxes. Did it get you out of the last problem. No! So you think it will this time? YOU NEED TO CUT! There are no two ways about it. You are spending us into oblivion. The budget problems are all on you. You will run out of other people's money. Wake up and smell the coffee. You can't be everything to everybody. Thank you. A concerned taxpayer. Paul Miller.
