Dear Senator Fasano and Representative Klarides:

I work for a Moving and Storage Company and I first hand get to ask everyone that is leaving CT. these questions 1) why are you leaving Ct., response 9 out of 10 say it's too expensive to live here. 2) One out of 10 say I found a new job or got transferred. I then tell them to call the Governor and let him know why they are leaving cause he has NO CLUE why so many people are leaving. Now with so many leaving this removes revenue and makes it necessary to increase taxes that the remaining people can't afford resulting in more and more residents getting the HELL out of this state.

Time to take a look at your Democratic blunders and make a change before it's too late to recover. The more you tax the more will leave.

Have a nice Day.
