Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

I'm a Senior Citizen & a Veteran of the Viet Nam War. You people are forcing people of my age, and there are many, to leave this State. I have watched many leave in the past, including my 3 children & with the passing of the proposed tax increase just watch the number of us that have had enough. You need to reduce taxes in order to make Connecticut favorable for business to grow & be favorable for new business to move into Connecticut. STOP following the mess California is in!
