Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

If taxes get raised one more time, I'm seriously thinking of moving down South.

I've had it with these liberal spend-happy politicians in Hartford. My husband hasn't had a raise in 10 years because he doesn't work for the gov't. We are sick and tired of paying the state employees health benefits, pension, etc. etc. when we don't even have a pension anymore. Our health benefits have gone up so much we had to go on a high deductible plan to pay for ourselves and our two children. Enough already.
