Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

CT is one of the most severely damaged very high tax state. What my husband and I earned as full time employees are not enough for a family of three. Where are the monies for us hard working Americans, our paycheck is just not enough to pay our bills for the small state can't make a right budget. Who used the tax monies? When and who is authorized to overdraw the monies, audit and budget goes together just like responsibility and accountability. My kid can't qualify for a free lunch let alone qualify for a free education. Somebody is not doing their job!
