Dear Senator Fasano and Representative Klarides:

STOP the tax madness. I am retired not by choice and wanted to sell my house but the Realtor told me because of the location it would have to be a cash buyer and could maybe get 59,000 for it. That is 20,000 less than the 70% value the city put on it. WE ARE STUCK HERE :( Now you want to tax my dogs care??? Do you tax childrens medical. My pets are family give me a break they need good health care too. I should get a tax break for taking good care of them
