Subject: Tax Hike - Public Hearing Testimony

Dear Senator Fasano and Representative Klarides:

This unending tax merry go round must end - good people are leaving this state because of the reckless spending - the state unions have too much political control in Harford - the legislature has to have the courage to amend binding arbitration and take other measures that will help cut labor and pension expenses to a level the public can pay for. I'm seriously considering a move out of state - why keep facing higher taxes here - seeing state retirees and workers insulated from the realities of our time.
