

## State of Connecticut

### GENERAL ASSEMBLY

August 11, 2020

James J. Judge  
President, Chairman, Chief Executive Officer  
Eversource Energy  
56 Prospect Street  
Hartford, Connecticut 06103

Dear Mr. Judge,

In consideration of Storm Isaias and recent delivery rate increases, the Connecticut General Assembly's Energy and Technology Committee will be conducting a hearing on Eversource and its affiliates. The scope of the hearing will cover Eversource's storm management response, delivery charges, initiatives to improve the grid, and investments made in linemen.

Our hopes are to strengthen residents' confidence in Eversource, prevent further exorbitant rate increases, and strengthen storm preparedness. We respectfully request your attendance at the hearing and look forward to working collaboratively together on behalf of Eversource customers.

Sincerely,

State Representative David Arconti  
Energy and Technology House Chair

State Senator Norm Needleman  
Energy and Technology Senate Chair

State Senator Paul Formica  
Ranking Member

State Representative Charles Ferraro  
Ranking Member
