Dear Mr. Kooris,

The State Pier project's price tag has unfortunately been changed many times.

With these changing costs approaching a quarter of a billion dollars, I am interested in seeing an update on anticipated revenues at State Pier.

Taxpayers are funding the costs, and they deserve to know the return on their investment.

Please send me the latest return on investment estimates for the State Pier project so that I may keep my constituents informed.

Sincerely,

A handwritten signature in black ink that reads "Heather Somers". The signature is written in a cursive style.
