## THANK YOU

*The United States Armed Forces  
have long been renowned for inspiring  
within their citizen-soldiers the greatest  
traits of America: self-reliance,  
determination, and hard work.*

*The training that the military provides  
allows each of these citizen-soldiers to  
perform at the highest levels during  
times of war and times of peace.*

*Each of your efforts has ensured the safety  
of our country and has helped safeguard  
the ideals in which we strongly believe.  
Your personal sacrifices have guaranteed  
that countless Americans can continue  
to live free from tyranny.*

*On behalf of the town of Seymour and the  
State of Connecticut, we would like to humbly  
and graciously thank you all for your service.*
