2800 Berlin Turnpike
Newington, CT 06131

Dear Commissioner Eucalitto:

As Ranking Senator on the legislature's Transportation Committee, I write to commend you and your team on your successful efforts to reopen key roadways and restore rail service since the historic Aug. 18 rain and severe flooding.

It has truly been a remarkable team effort by our Connecticut Department of Transportation employees. Route 34 has reopened. Major bridge and road repairs throughout our communities have been completed with skill and efficiency. The damaged Waterbury Branch Line resumes service on Oct. 28 with the 4:45 a.m. train from Waterbury and the 7 a.m. train from Bridgeport.

Restoring this access and service so swiftly is wonderful news for commuters and area businesses.

From DOT to Metro-North to our partners in the private sector who have been working tirelessly around the clock for the past two months, I write to simply say: Thank you all!

Sincerely,

A handwritten signature in blue ink that reads "Tony Hwang".
